

Nerita

Guest + Swivel

AVERRSITELLE

Where art and comfort  
align in perfect harmony.

Relaxed yet contemporary

With striking contours and ergonomic curves, Nerita redefines what it means to sit in style. Its concave poly shell naturally conforms to the user for uncompromising comfort. Nerita withstands everyday use while maintaining its sophisticated appeal for spaces that demand form and function.

Nerita embraces an iconic aesthetic to bring a sense of balance and beauty to functional design. The arm and armless poly shells are biocompostable yet extremely durable and UV-resistant. Metal base styles include sled and 4-leg. Fixed-height swivel base available with glides or casters.

Designed exclusively for Versteel by Favaretto + Partners Design Studio.
